

Maury High School Orchestra

Concert Program Ad Campaign

2009-2010

This year, the Maury Orchestra is beginning the annual ad campaign to support our students by purchasing much-needed instruments, music, and by providing opportunities for our children to participate in extra musical activities throughout the school year. We will also be raising funds to produce our Pops Concert for our friends and supporters in the Norfolk community and to compete in the Music Festivals at Sea in the Spring of 2010.

The Maury Orchestra invites you to place an advertisement in its concert programs during the 2009-2010 school year. Five concerts will be held this coming school year. Your concert program ad will reach a wide market of parents, students and other community members that enjoy and support the arts throughout the year.

The Maury Orchestra's stellar performances have received award-winning recognition:

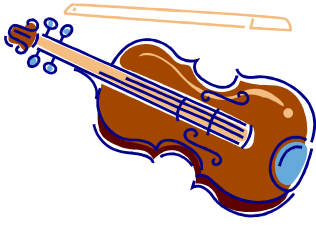

- 2008 Grand National Champions
- 2007 Hawaii Grand National Champions
- 2006 Cruise Festival Grand National Champions
- 2005 Custom Music Tours National Grand Champion
- 2003 & 2004 Overall National Grand Champions - Cruise Festivals National Competition
- 2006 Best Soloist, Best 1st Violin Section and Best Cello Section - April Cruise Festival National Competition
- 2008 Maury High School Chamber Orchestra was named the Overall Grand National Champions for the Music Festivals, Cruise Festivals-At-Sea Competition.
- Straight superior ratings - District II Orchestra Festivals, June 2008 and every year since 1997.
